**Speaker for this class was Brent Lorimor who introduced the classmates present and recounted the events of the past 2 days. The class met on Friday evening for a cookout at Dave McGargill's with 17 classmates and other family members present. Classmate Colleen Hughes McGargill and wife of Dave passed away over 2 years ago. Her family has held the Colleen McGargill Memorial Golf Tournament for the past two years. It happened to be this Saturday afternoon, so 10 classmates participated in the tournament. Eight class members attended the Alumni reunion making a fast trip from the golf course to the reunion. This was the first reunion to attend and they enjoyed it. We hope they will return to become a loyal class.**
