

CLASS OR STUDENT GROUP GIFTS

The board welcomes gifts to the school district from a class or student group. While class gifts to the school district do not require the approval of the superintendent, the board encourages students to consult with the superintendent or other licensed employees prior to selecting a gift for the school district.

HOMELESS CHILDREN AND YOUTH

~~Residency: For purposes of a homeless child or youth, residence for the purpose of attending school is where the child actually resides or the child's school district of origin. A child's school district of origin is the school district where the child was last enrolled. The deciding factor is the welfare of the child. As much as possible, the child will not be required to change attendance centers within the school district every time the child changes residence unless that change results in the child no longer being classified as homeless.~~

~~Transportation: Policies or practices regarding transportation of students which might cause a barrier to the attendance of a homeless child or youth may be waived by the superintendent.~~

~~Special Services: All services which are available to resident students are made available to homeless children or youths enrolled in the school district. Services include special education, talented and gifted programs, vocational education, English as a second language programs, health services and food and nutrition programs.~~

The contents of this policy will supersede any and all conflicting provisions in board policies dealing with the seven policy areas discussed above.

NOTE: This is a mandatory policy and reflects both Iowa and federal law.
