

Minutes from the October Olweus Meeting

Information about the Olweus program will be put into the November and December Newsletter.

In Junior High Advisory groups, Toby and Samantha are going to have students make posters. Winning posters will be turned into stickers. The posters must include the four Olweus rules.

There will be a pep rally where the four rules will be acted out. The English teacher will be asked to have her students do infomercials about not bullying.

There will be skits where junior will do a role play, seniors will do a role play and the staff will do a role play.

January 9 at 3:00 will be our kick-off date, at that time all the details of Olweus will be given to everyone.

The results should be here shortly.

We will have the posters up in the classrooms and hallways.

Next meeting will be November 15 at 6:30.
