RE: 2010 State Math Bee Results

The State Sixth Grade Math Bee was held last Friday, May 7, 2010. The Ft. Dodge First Presbyterian Church site makes a very nice setting, and we are appreciative of their accommodating staff. Special thanks also goes to Denise Salker from NWAEA for the hours she spent organizing this event. We've tentatively set Friday, May 6, 2011, as the date for next year's event.

We had a total of 31 teams and 8 individuals participate this year. There are several reports included with this letter to provide an overview of the results. If you have any questions and/or suggestions related to the state math bee, feel free to contact us. Janelle can be reached at jschorg@nwaea.k12.ia.us and Brian at bnelsen@nwaea.k12.ia.us.
